

Suncadia and Tumble Creek Owners Recycling Program

Two locations-

Suncadia homeowner's location is at the Solid Waste Facility just beyond the Community Management Offices. Turn left from Firehouse Road, pass Community Management offices, turn right at big green metal building.

Tumble Creek homeowner's location is directly past Honolulu Drive at the Turf Care storage area.

Each location will have blue Waste Management recycle totes and a bin for empty plastic bags. Remove all lids and caps – prior to recycling. Place your recycling in the containers; do not leave them bagged at the base of the containers. Garbage is not accepted.
